

June 2010

To All of Our Valued Patients,

I want to share some exciting news with you. After 21 years at the same location, I have been given the opportunity to relocate my practice to a new, larger, state of the art facility. The best part of this move is that it is only 2 blocks south of my current location, at the corner of Wolf Rd. and Feehanville Dr. (see map below). This move is to occur between July 15 and August 1, 2010.

We hope that the disruption to our schedule is minimal, yet some appointments around this time may need to be altered or rescheduled. They will be handled on a patient to patient basis.

I hope that you will find this new location convenient and comfortable. My staff and I look forward to providing you with the same quality dental care that we always strive to provide. If you have any questions, please do not hesitate to contact us at 847-635-0117.

Sincerely,

Dr. August J. Durso, Jr. and Staff
